

**REMARKS**

Claims 19-22, 24-30, and 32-35 are all the claims pending in the application. By this Amendment, Applicant deletes the pending claims 19-22, 24-30, and 32-35 without prejudice or disclaimer. Applicant adds claims 36-48, which are clearly supported throughout the specification.

Since claims 19-22, 24-30 and 32-35 are cancelled, all of the present rejections are rendered moot. New claims 36-48 are clearly patentable over the prior art of record.

Entry and consideration are respectfully requested.

In view of the above, reconsideration and allowance of this application are now believed to be in order, and such actions are hereby solicited. If any points remain in issue which the Examiner feels may be best resolved through a personal or telephone interview, the Examiner is kindly requested to contact the undersigned attorney at the telephone number listed below.

The USPTO is directed and authorized to charge all required fees, except for the Issue Fee and the Publication Fee, to Deposit Account No. 19-4880. Please also credit any overpayments to said Deposit Account.

Respectfully submitted,
